

Stone Mosaics has teamed up with ProFlex to provide our customers with an amazing new product! We have found the premium thinset for our best selling *Sea Glass Collection*! **Pro Flex Super Stick -Premium Thinset Mortar** is an especially formulated mortar that can adhere to both glass and stone, making it ideal for our *Sea Glass Collection*. We have decided to start stocking **Super Stick** in our warehouse so that we can easily ship it with your order at a great price. Both, Stone Mosaics and ProFlex stand behind our products and will provide a warranty on the install when purchased through us. \*\* Please note :any other future warranty claims will be voided without use of the Super Stick\*\*
